EIGHTH ANNUAL PORSCHE BLUEBONNET TOUR OF THE EASTERN EDGE
OF THE TEXAS HILL COUNTRY

For the eighth year in a row, we meet at the Chappell Hill Deli and Bakery on U.S. 290 at 8:30 A.M. for our orientation and driver's meeting. Come early for the best cinnamon rolls in Texas. From Chappell Hill we travel back roads with plenty of hills and curves to Rennsport, two painted churches, (one Czechoslovakian and one German), a winery, a Lavender Farm and the Antique Rose Emporium. Lunch will be at the outstanding Red Vault Café in Flatonia where a Swiss chef turns out excellent meals. Dinner will be available at the Funky Art Café in downtown Brenham. All of the route has been scouted for road problems, scenery and interest. Guides and arrangements are included at each stop. This year will be different than each of the previous tours.

Advance reservations are required for the Porsche themed dinner at Funky Art Café through george_bishop@sbcglobal.net . **Reservations for the tour may be made at Clubregistration.com for \$25.00 per car which does not cover the meals.** You may call George Bishop at 713-305-5510 for information or questions.
