

RUF is coming back to Lubbock!

A couple of years ago RUF was so kind and made the trek from Dallas to Lubbock with a bunch of their uber-cool cars. The event was well received and they are willing to come back!

RUF Auto Centre, will be here in Lubbock on April 25, 2009 at Gene Messer Volkswagen. Hans Hoffmann, Wayne Corley and a couple of their techs are ready to treat us to the visual treat that accompanies the arrival of the RUF cars. The plans are now coming together and YOU need to start planning to join us for the 2009 RUF/Porsche Tech Session.

They also are going to be holding some tech sessions, and their techs are ready to help us out. They are bringing their RUF diagnostic computer to do a free screening and car analysis on our cars (if your car has an onboard computer then you are in luck) they will scan for check engine light fault codes, etc. at no cost to you.

We are selling raffle tickets for a 30k service to be performed by the RUF techs while the rest of us watch and learn what is really involved with that service. The cars eligible to enter the drawing are Porsche 996, 997, Boxster and Cayman (water pumpers only, sorry). To enter the contest fill out the attached form and send a check or money order to the address listed below. Cost to enter the contest is \$25 per ticket and you may enter as often as you wish. We will draw the winner at approximately 9:30 AM. **You must be present to win.** Mail completed information and money to:

Fred Stubbs
West Texas Region PCA
2307 Hermitage Court
Midland, Texas 79705

We plan on having several door prizes; RUF has some stuff to giveaway (RUF Yellowbird posters) and items to buy. The dealership has offered to fire up the grill for lunch and WTR will supply the Hamburgers, Hot dogs and the fixing's (see form for free ticket to cut out) and in the afternoon we will enjoy a scenic drive and meet at the Llano Estacado winery for a tour and after the tour interested folks can join us for an optional Dutch treat dinner at the 50 Yard Line (great steaks etc.).

We want to thank the other regions that came out on the last event and we hope to see lots of folks from OKC, Albuquerque, Ft. Worth, Dallas, El Paso, Colorado, Amarillo, Abilene, San Angelo and of course Midland/Odessa and Lubbock. We hope those regions will help us get a great turnout, sanction, and endorse the event. Our Zone Rep is also going to be invited.

Other items of interest will be lots of tech sessions and Porschespeak and friendships made and renewed. We intend to do this at no cost to members, and there is no event fee. Motel information and discounts for the night of April 24th and 25th have been set up at the Marriot Residence Inn located across the loop from the VW dealership and next to the 50 Yard Line restaurant. Details and an attached agenda with a registration form are attached. Please have the completed for mailed to Fred no later than April 13th. Hope to see you all there.

2007 RUF RGT
