

The Lone Star Region's November 2nd Concours was hosted by the folks at MarineMax in Seabrook Texas & as always in the Lone Star state we had a big turn out with over 30 gorgeous cars to ooh and aaah over; but this event had a little different feel to it. The Texas Gulf Coast region sustained a major blow when Hurricane Ike made land fall as a CAT 2 storm with a CAT 4 storm surge on September 13th, where as Galveston Island took a direct hit. The city of Houston was also in the cross hairs along with all the low lying coastal areas which received major flooding & quite a bit of wind damage as a result of the storm. MarineMax, the largest marine retailer in the US with over 80 locations and in Seabrook where they had 4' of water on the showroom floor just a few short weeks ago, provided a great venue to enjoy the day. The air was brisk early but the sun was shining on some of the most beautiful Sport Yachts, Yachts and of course some of the most beautiful Porsches in this part of the country. Everything from classic 356's, 930 turbo's to the newest 2009 GT2's and everything in between were on display. A few of our local dedicated racers like Brian Kamery dropped in to show off some pretty serious metal that looked super fast sitting on the patio. All in all it was a great event and the best part about it was half of the proceeds the LSR region and MarineMax raised were donated to the Hurricane Ike relief fund directly benefiting those who were affected by the storm...How'd they do it you ask? Through generous donations from folks like Joe Fabiani @ FabSpeed, Tom Rittenburg @ Rennline, Mackenzie Horn @ CDOC, Mike @ VertexAuto and of course our LSR Concours title sponsor Victory Motor Cars. "I made a few phone calls, sent a few emails and these guys were on board right away and their generosity blew me away" says Chris Thomas of MarineMax. The LSR group can't tell you how much we appreciated everyone's support and we could not have done it without everyone's help. These are tough times right now and their support means a lot to the folks in the LSRPCA & Gulf Coast community. At the end of the day we had a great time and everyone walked away with some super cool prizes and the feeling that they had made a difference in someone's life and after all isn't that what it's all about.
