

On My Mind: **Lynn Friedman, President** **Lone Star Region PCA**

Things are really beginning to get in gear this year with the Lone Star Region PCA. Are you ready for the Texas Two-Step? The Texas Two-Step is the Annual Club Race held March 13-15 at Texas World Speedway. Lone Star Region PCA teams up with Hill Country Region PCA for an outstanding weekend of racing action. Racers come from all over the country for the event to compete with our region's finest. The race weekend holds even more for members this year. In addition to the races, there will be a Concours, a DE (solo-qualified only), socials, dinners and a wine tasting.

If you have never been to our club race, I encourage you to come and see all the action. Texas World Speedway is just a short drive from Houston, and well worth the trip. I remember how thrilling it was for me the first time I went to our Club Race. It was Porsche "Eye-Candy" to me. And then hearing, no *feeling*, the sound of the cars as they come down the front straight started my adrenaline pumping! I also enjoyed just looking at the awesome rigs that transport the racecars.

Speaking of racing, the F-1 Dinners will also start back up in March. Members meet at a restaurant the Saturday night before an F-1 race. You do not have to be an F-1 fan to enjoy these evenings. They offer are a great way to meet fellow members and just visit. I seem to haunt the same old places when eating out, and the F-1 dinners have also been a fun way to try new restaurants.

In my President's letter last month, I wrote about my musings in the 1980 Lone Star Region Scrapbook. So in February 1980, and what was the club up too? On a "bone-chilling" cold day, 26 members attended a daylong Autocross School. Members practiced their newly acquired skills at Meyers Speedway. Does anyone out there remember Meyers Speedway?

It was located off of South Main, and in its heyday was *some* place.

The monthly dinner was held at the Brauhaus Restaurant. This was as close to a German Beer Hall you could get to in Houston in 1980. "Members munched merrily away on hot sausage and cold beer."

See you on the road!

Lynn
